

STUDENT LEADERSHIP JOB DESCRIPTION

Optimism

to look for solutions and see positives

Regard

to care for and be kind to others and yourself

Endeavour

to work hard and persevere to achieve one's full potential

Student leadership at Allestree Woodlands School provides exciting opportunities for pupils to gain valuable experience and skills and to be involved in the running of their school. As a member of the Student Leadership Team, you will have five key roles:

1. TO BE A ROLE MODEL TO OTHER PUPILS

Our student leaders handle themselves as if they are members of staff, acting in a responsible manner so that other pupils can be influenced by them and follow their example.

Your appearance (including uniform) should be appropriate and your behaviour should be consistent with our high expectations. People will look to you for inspiration, you should be mindful of this at all times

2. TO HELP DEVELOP THE SCHOOL

The pupils who are entrusted with leadership positions have ideas as to how to help the continual growth of Allestree Woodland School. Your ideas will be discussed and implemented if possible.

3. ASSIST STAFF

Our student leaders are given positions of responsibility to help staff in the running of the school. This additional accountability will help to develop your leadership skills and your character as you are exposed to challenging situations.

Some staff may come to you for advice or support. You should do your best to help to the best of your ability.

4. REPRESENT THE SCHOOL

Allestree Woodlands School is an active member of the community and we wish for our pupils to be a voice for the school as much as the staff are. The student leaders show the community what Allestree Woodlands School is about through their character.

You will also be expected to attend the following events in your capacity as a Student Leader:

- Sixth form open evening
- Year 6 open evening
- Interview evenings
- School concerts

You will also be expected to take a leadership role in sixth form charity day, co-ordinating with students from Years 7-11.

The background features a photograph of a modern school building with a white upper section and a brick lower section. A covered walkway with a curved roof runs along the building. The scene is overlaid with semi-transparent geometric shapes: a large green hexagon on the right, a purple hexagon above it, and a green trapezoid at the bottom right. The sky is clear and blue.

5. THE FUTURE OF YOU

Having held a student leadership position is incredibly useful when applying for further education and jobs.

You will be given things to show that you are part of the leadership team such as a badge and coloured lanyards.

This is to show other students who you are, as well as give you a sense of identity.
